

THE BEAR
OF BURTON

DRINKS LIST

A very warm welcome from Tania and the team here at The Bear of Burton and we hope you find your visit with us 'Just Right'. Named in honour of Robert Southey, who lived in the village of Burton when he created the story of Goldilocks & the three bears, we hope you enjoy the subtle touches we have created throughout.

Our Coravin wine system ensure superb wine quality by the glass, as well as expertly crafted cocktails, and with a range of local and world beers, including Fuller's award winning cask ales, we are sure you will find something you fancy.

We also have non-alcoholic tipples aplenty - with artisan soft drinks and delicious Tea Pigs range and Artisan coffee.

We do try accommodating for various taste buds and should you feel we are missing anything we would be happy to discuss this with you and see if it something we could add to our list! Our drinks list is compiled of products we would like to stock. Some products may occasionally be unavailable, but we are happy to help you find an alternative.

We prepare our menu using a wide range of ingredients. If you require information regarding allergens or suffer from an allergy please speak to your server before you order your drink. Your server will inform our bar staff so they can take steps to minimise the risk of allergens cross contaminating your drink during preparation and service.
